CLEANING & MAINTENANCE

The chin strap may be cleaned with soap and warm water and dried with a soft cloth

Do not clean with chemical or abrasive cleaners

The chin strap should be stored out of direct sunlight away from chemicals and extremes of temperature

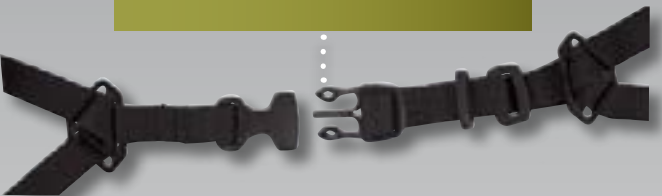

WEBBING STRAP:
Tubular Nylon

CLIP:
LDPE

BUCKLE:
Nylon

LINESMAN CHIN STRAP:

Simple, secure closure from the Nylon buckle allowing quick donning and doffing of the safety helmet

LIMITATIONS OF USE

The attention of users is drawn to the dangers of modifying or removing any of the original component parts, other than as recommended by the manufacturer

The chin strap, when in contact with the skin may cause allergic reactions to susceptible individuals

If this occurs leave the hazard area, remove the cap and seek medical advice

This chin strap should only be fitted to JSP Head Protection Devices

A JSP chin strap is a single fitting only, removal once assembled to a Head Protection Device will damage the chin strap clips

CONFORMITY

When fitted to a JSP Industrial Safety Helmet, the helmet conforms to EN397, EN50365 or ANSIZ89
